Dear Rock Brook Community,

On behalf of the Rock Brook School Board of Trustees, I am pleased to announce the appointment of W. Glenn Famous as the next Executive Director of Rock Brook School.

The Board has engaged in a thorough and thoughtful process to find an outstanding candidate to replace Mary Caterson who will be retiring at the end of the school year. Glenn has had a long career in public education serving as Principal in several elementary and middle schools in South Brunswick, New Jersey with a strong record of accomplishment. His commitment to children and their families, as well as to the staff who support them, is well recognized. His leadership, creativity and problem solving skills will add to our continuing efforts to help our students reach their full potential.

The formal transition process will start April 1 with Glenn and Mary working together through the end of the school year. We look forward to having Glenn join the Rock Brook family and will be planning opportunities for all of you as stakeholders to meet him. This is an important next step for Rock Brook and we look forward to the future of our program and our continued commitment to the children and families that we serve.

Sincerely,

Rick Sugam
