

Rock Brook School Mother's Day 2020 Plant Sale PRE-ORDER FORM

Please return your pre-order form and payment to school no later than,
Friday, March 27, 2020

Make checks payable to Rock Brook School.

It's time again for Rock Brook School's annual Mother's Day Plant Sale! Now is the time to plan ahead and pre-order some plants for May delivery. These high quality plants are available to you at excellent prices and your purchases will help to support our school.

We have narrowed our PRE-ORDER offerings to help with the delivery issues we have had the last few years. Flats will be offered in mixed color options and we will not be offering small pots of herbs. We trust that you will understand.

Please fill out the pre-order form and note that most of these items can only be purchased in advance on a pre-order basis. Most will not be available for purchase on the sale days.

Pre-orders will be ready on Thursday 5/7 & Friday 5/8. Small orders can be sent home on your child's bus, but you must get permission from the bus driver. Please note that we cannot be responsible for the health of any plants which are not picked up promptly.

(We will need volunteers to assist when the plants are delivered on Tuesday, May 5th. Help is needed to unload the delivery truck and organize the orders. Closer to May 5th we will reach out to see who can help!)
