

Physical Education Teacher (currently Part-time could become Full-time)

Rock Brook School is a private, non-profit Special Education school in Skillman, NJ. We are seeking an outstanding Part-Time Physical Education Teacher (could become full-time) to guide our students as they climb their personal ladder to social, emotional, and academic success. Our teachers and support staff are dynamic leaders both inside and outside of the classroom.

Your role as a Physical Education and Health Teacher will involve a number of responsibilities which will include, but are not limited to the following:

- Experience with students with disabilities
- Teach physical education to an inclusive class, sharing responsibilities with several different related service therapists.
- Employ a variety of multisensory teaching strategies and specialized instruction as needed based upon student's specific disabilities.
- Implement student modifications and accommodations.
- Use student IEPs, evaluations, and present levels of performance to ensure services are being delivered at a high level.
- Track student performance and be responsible for continual improvement in student growth objectives.
- Teach health to students in grades K-12
- Track student attendance.
- Consistently and clearly communicate progress to students and parents.
- Participate in school and parent meetings.
- Participate in school events, activities, and programs during the school day and in the evening as needed.

Compensation & Benefits:

In addition to a **competitive salary that is commensurate with experience**, Rock Brook offers a health benefits plan, paid vacations and holidays, a retirement plan, and numerous professional development opportunities.
