

Special Education Teacher - Rock Brook School

Rock Brook School is seeking outstanding teachers to guide our students as they climb their personal ladder to social, emotional, and academic success. Our teachers and support staff are dynamic leaders both inside and outside of the classroom. They love students, enjoy working with families, and strive to make Rock Brook School a home away from home for all who learn and work here.

If you are passionate about education, understand the importance of building strong relationships, and are dedicated to going above and beyond to ensure that students succeed... we want you!

Your role as a Special Education Teacher will involve a number of responsibilities which will include, but are not limited to the following:

- Teach in an inclusive class, sharing responsibilities with an SLP and other related service therapists and specialists.
- Employ multisensory teaching strategies and specialized instruction as needed based upon student's specific disabilities.
- Implement student modifications and accommodations
- Use student IEPs, evaluations, and present levels of performance to ensure services are being delivered at a high level.
- Use data to teach academic and social skills.
- Track student performance and be responsible for continual improvement in student growth objectives.
- Administer and track assessment data to monitor progress toward class and IEP goals.
- Create action plans to improve student performance.
- Consistently and clearly communicate progress to students and parents.
- Participate in school and parent meetings.
- Participate in school events, activities and programs during the school day and in the evening as needed.
