Back to School Night / Family Night

Oh what a night! It was a pleasure to welcome our students and families to our Back to School Night and Family Night. We appreciate your participation and joining us for this event. This evening was such a wonderful opportunity for our school community to come together and celebrate the beginning of the school year!

Air Therapy Dogs Program: Our therapy dog program is back in action! On Friday, 9/22, three dogs joined us, specifically Nomie, McKenly, and Lily. Students and staff spent some quality time with our furry friends. We are looking forward to this incredible program throughout the year.

Rock Brook is in the News! Click on the link to read the article featured in the TAPinto Princeton and Bridgewater

School Safety: All schools in New Jersey are required to conduct two emergency drills per month; one fire drill and one security drills. Security drills could be one of the following; Active Shooter, Bomb Threat Evacuation, Non-fire Evacuation, Lockdown, or Shelter in Place. Please know that all of our drills continue to be conducted with a seriousness of purpose, but without using terms or simulations that could potentially frighten or upset students.

Message from the School Nurse:

- **Flu Season Memo:** As flu season draws near, please [click here](#) for a helpful guide from the CDC on what you need to know about the flu and ways to protect your child this flu season.

Bulletin Boards: Our teachers and support staff have created some very creative and decorative bulletin boards for all to see in our school! Check out the pictures below!
